BLUE HEAVY DUTY OIL SUCTION

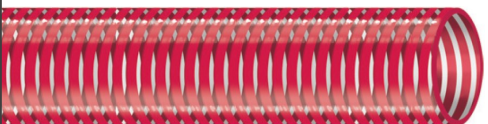

Proudly Australian Made, this heavy duty flexible blue PVC/NBR blend hose with rigid PVC helix is the most flexible suction hose in our range even in colder climates. It has a smooth bore to reduce friction losses and the polymeric plasticizer resists solvent extraction. Operating temperature from -10°C to +60°C. A high nitrile content gives good resistance to abrasion as well as chemicals, animal fats, mineral oils & some fuels. Outstanding UV stability.
